Deal rationale: Inteliquent

**Inteliquent**
- Largest independent voice communications provider in the United States
- 300+ billion voice minutes per year and 100+ million active phone numbers
- Around 600 employees including contractors with headquarters in Chicago, Illinois

**Deal rationale**
- Establish Sinch as a leader in voice communications selling to the largest US voice customers
- Super network for voice reaching 94% of the US population without middlemen
- Accretive deal that fits Scale and Profitability category

**Integration**
- Integration costs estimated to reach USD 25 million over 18 months
- Cross- and upsell combined Sinch+Inteliquent product portfolio
- Reinvest USD 15-20 million of EBITDA to accelerate joint roadmap in CPaaS voice, strengthen enterprise go to market and expand voice offering internationally

**Financials**
- Enterprise value of USD 1,140m. Closing is subject to regulatory approval, closing expected in H2 2021
- Reported revenues of USD 533m, gross profit of USD 256m, and EBITDA of USD 135m in 2020
- Revenues of USD 499m, GP of USD 233m and Adj EBITDA of USD 112m excl. temporary Covid uplift
- Underlying year-on-year revenue growth around 11% over the past 2 years driven by growth in CPaaS
January – March 2021

- Gross profit rising 84% to SEK 820.0 million (446.7)
- Adjusted EBITDA rising 30% to SEK 240.3 million (184.3)
- Adjusted EBIT excl. acquisition-related amortization of SEK 215.0 million (168.8)
- Profit after tax of SEK 140.8 million (96.4)

- Organic Gross Profit growth of 24% in local currency
- 52% underlying growth in Adjusted EBITDA excl. currency effects and share incentive plans
- Acquired entities with lower Adjusted EBITDA margin causing lower margin
- COVID-19 causing reduced voice traffic and lengthened sales cycles
- Continued opex investments to prepare our business for future growth, strengthen our go to market and develop new products
Key growth drivers

1. Acquisition of SDI, TWW, Wavy and ACL Mobile
2. Volume growth & new use cases with US big tech companies
3. Sales and marketing improvements driving broader growth

Growing both with new and existing customers
• Gross profit growth of 84% compared to Q1 2020
• 24% organic Gross profit growth
• Continued strong performance with large US tech companies, but lower percentage growth rate after strong performance in 2020
• Broader organic growth across the business due to investments in product and go to market
Adjusted EBITDA margin

- Large impact from currency effects and costs for share-based incentive programs
- Margin dilution from acquired SDI business
- Investments in scale and growth
- 30% growth in Adjusted EBITDA, with 52% growth excluding currency movements and share-based incentive programs
Headcount increase

- Headcount rises with recruitment and acquisitions
- Added 382 people in Q1, of which 305 people joined from Wavy
- 2,160 people in Sinch at end of Q1
Strong growth in Messaging

- Total Gross profit growth of 85% with organic growth at 32%
- SDI contributing from 1 November 2020 & Wavy from 1 February 2021
- Growth broadening beyond US tech companies
- Tough comparable figures in 2021 after strong performance in 2020
Rising message volumes

- Large increase in September 2020 due to ACL acquisition in India
- 327% year-on-year growth in transactions in Q1 with 47% growth in comparable units
- Seasonal uptick in March due to end of financial year in India
- Growth from existing customers, new customers, new use cases
Gross profit per transaction

- Gross profit is the primary bottom line driver
- Per-transaction measures relevant to track profitability and economies of scale
- ACL Mobile has significantly lower GP and OPEX per transaction, skews overall measures from September 2020
Messaging margin affected by M&A

- Revenue and gross margin depend on mix of terminating markets
- EBITDA/Gross profit shows margin excluding mobile operator charges
- Acquisition of SDI causing 3.3% dilution to Adj EBITDA/Gross profit in Messaging
- Investing to support future growth
Continued Covid impact on Voice and Video

- Sharp decrease in demand for Number masking from ride hailing customers as Covid-19 reduces travelling
- Increase in traffic with low gross margin contributing revenue with limited gross profit
- Planning for integration ahead of Inteliquent closing
Broadened product offering to Operators

- Sinch and SDI operator organizations united in early 2021
- High margins in Operator Software business
- SDI person-to-person (P2P) messaging hub operating at lower gross margin
- Stable underlying performance
