The board of directors' report pursuant to Chapter 20, Section 13 of the Swedish Companies Act

With reference to the board of directors' proposal to the 2026 annual general meeting of Sinch AB (publ), 556882–8908 (the “**Company**”), regarding reduction of the share capital through cancellation of repurchased shares and increase of the share capital through bonus issue without issue of new shares, the board of directors hereby submits the following report pursuant to Chapter 20, Section 13 of the Swedish Companies Act (2005:551).

The resolution on reduction of the share capital through cancellation of repurchased shares can be implemented without authorisation from the Swedish Companies Registration Office or a court of general jurisdiction since the Company is simultaneously carrying out a bonus issue meaning that neither the Company's restricted equity nor share capital decreases.

The effect of the board of directors' proposal to reduce the share capital by cancelling repurchased shares (item 17(A) on the proposed agenda) is that the Company's restricted equity and share capital will be reduced by SEK 608,024.878914. The effect of the board of directors' proposal to increase the share capital through bonus issue without issue of new shares (item 17(B) on the proposed agenda) is that the Company's restricted equity and share capital will increase by SEK 608,024.878914 through a bonus issue and will thus correspond to the share capital before the reduction.
